Subject: Fact Sheets

David talked to Ken, David Gray and Steve Tatum. We are asked to put together two fact sheets. One for Hutchinson and one for Potter.

I would like the Hutchinson to somehow capture the reduction in routine allowables and episodic allowable in rough percentages. It should also answer whether it appears any reductions are due to actual work practice changes during 2020 and whether there are any actual reductions.

I know this is complicated and should also be coordinated with TCEQ. Please send me what you have by 1:00 pm tomorrow for Hutchinson. You can take a longer on Potter, of course it is easier.

Thanks.
